 **Franciscan HEALTH**

2024

Community Calendar

 **Franciscan HEALTH**

Dear friends,

As we extend our warmest wishes for a joyous holiday season, we hope you are surrounded by the cherished presence of family and friends. This time of year invites us to embrace moments of reflection, allowing us to revel in a sense of accomplishment and gratitude for the year that has passed and to eagerly anticipate the promise of goodness that 2024 holds.

In May 2023, the U.S. Department of Health and Human Services officially declared the end of the COVID-19 public health emergency. This momentous declaration brought a collective sigh of relief throughout our community and the nation. It marked a significant turning point after three challenging years, during which we all came together to support and care for one another. We hold deep appreciation for our dedicated team of caregivers who displayed unwavering courage and selflessness in their tireless efforts to safeguard our community during the pandemic. Their commitment to the health and well-being of our patients is a source of inspiration to us all.

Moreover, the efforts of these caregivers have inspired a new generation of individuals to join their ranks. It brings us great pride to report that enrollment has once again increased at the St. Elizabeth School of Nursing, a cherished institution that has been educating nurses for over 125 years. Founded in 1897, the school has remained steadfast in its mission to transform ordinary people into extraordinary nurses. As nursing shortages abound throughout the nation, the St. Elizabeth School of Nursing continues to provide a steady stream of skilled and compassionate nurses to our community.

I am also thrilled to announce that the new Franciscan Health Cancer Center Lafayette will open its doors and begin serving patients in March 2024. This 68,000-square-foot, \$43.2 million state-of-the-art facility will be home to the most comprehensive cancer diagnostic and treatment programs in our region. It signifies a significant leap forward in cancer care for Greater Lafayette, allowing patients to access a wide range of services conveniently under one roof. Not only will it serve as a hub for cancer treatment, but it is also designed to attract top-level talent and research programs to our community. By doing so, it offers cancer patients in Greater Lafayette and surrounding communities more treatment options than ever before. If you wish to support this crucial project and join the fight against cancer in our community, please reach out to Sandy Howarth, executive director of the Franciscan Health Foundation, Western Indiana, at (765) 423-6809 or via email at Sandra.Howarth@FranciscanAlliance.org.

Within the pages of this calendar, you will discover valuable information about Franciscan Health Lafayette, including resources to help you lead your healthiest and happiest life. We encourage you to explore these resources as we strive to support you on your wellness journey.

Lastly, we invite you to enjoy the stunning photographs of our community, generously shared by some remarkably talented area photographers. These images offer a glimpse of the unique beauty that we all have the privilege to call home.

As we embark on the year 2024, we send our heartfelt wishes for God's blessings upon you and your family. May it be a year filled with health, happiness and unity.

MAY

Stroke Awareness Month—BE FAST

May is Stroke Awareness Month. Understanding the urgency and recognizing the symptoms of a stroke is crucial. Remember the acronym **BE FAST**. Look out for unexpected loss of **B**alance or coordination, **E**yes (changes in vision) and **F**acial signs like drooping. Take note of **A**rm weakness or numbness and challenges in **S**peech, either slurring words or poor comprehension. Lastly, **T**ime—if any of these symptoms are observed, dial 9-1-1 and get to a hospital immediately. Every second counts.

Premier Care for Our Smallest Stars

The earliest moments in life can sometimes require the most specialized care. At Franciscan Health, our Neonatal Intensive Care Unit (NICU) is committed to providing exceptional care for our most vulnerable patients. Whether it's around-the-clock monitoring or specialized treatments, with our team of dedicated professionals and state-of-the-art technology, we ensure that every newborn gets the best start possible. Learn more about our NICU by visiting FranciscanHealth.org.

Franciscan Health Foundation
Healing Hands, Kind Hearts

At the heart of the Franciscan Health community is a commitment that extends far beyond hospital walls, one rooted deeply in the teachings of Christ—to heal, to help and to love. The Franciscan Health Foundation stands as a testament to this dedication, channeling the generosity of kind-hearted souls to light up lives that need it most. Whether it's propelling nursing students' dreams or fortifying our esteemed employees' education, we're here. We come to the aid of our own during unforeseen crises through the Employee Emergency Fund. We also provide vital assistance for cancer care, patient needs and the well-being of children and families. Every dollar gifted paints a portrait of hope and resilience.

Thanks to your outpouring of support, last year we raised \$123,029,379 that allowed our Western Indiana staff to serve 397,988 people. Your generosity truly does make an impact. As you mark the days on this calendar, let each one remind you of the difference you can make, and consider joining us in ensuring that the spirit of healing and compassion continues to flourish. Together, we can offer expert care with a loving touch, ensuring every soul feels seen, valued and cared for. Your partnership can be the beacon that guides many towards a healthier mind, body and spirit.

PEACE

In every neighborhood, there are people just around the corner crying for help. Will you hear the call and be an instrument of PEACE?

The PEACE Initiative combines the strength of each of our foundation offices to bring together doctors, partners and community members along with 18,000 Franciscan Alliance employees to impact those in need. Through a comprehensive giving program, each and every contribution has an impact on the future of communities where our patients and associates live, work, learn and play.

Protect

Protect our most vulnerable communities by providing access to safe, nurturing environments. **Gifts to Protect** support projects that nurture newborns, help people suffering from depression or grief return to a healthy lifestyle, advocate for seniors, care for sexual assault victims and more.

Elevate

Elevate your community's access to state-of-the-art care and specialized services. **Gifts to Elevate** support programs at the forefront in the fight against cancer, doctors who lead the way in cutting-edge diagnosis and treatments and medical professionals who provide faith-based, integrated healthcare for our communities.

Assist

Assist those disadvantaged within the healthcare system by removing barriers to quality care. **Gifts to Assist** support programs that help uninsured and underinsured patients with vouchers for medication, travel or clothing, provide a safety net for families when unexpected emergencies strike, care for the Sisters in our founding religious order and more.

Comfort

Comfort those who need it most by becoming a source of peace, joy and light. **Gifts to Comfort** console families that have experienced a loss, spiritually support our staff and patients, nurture people in the last moments of their lives and more.

Educate

Educate communities on important health-related issues. **Gifts to Educate** support everything from childhood education initiatives to nursing school scholarships. Your gifts teach people how to lead healthier lives, work to reduce childhood obesity, support higher education for nurses and clinical staff, support clinical pastoral care and more.
